

## Hornsby Thematic History

### Do you have a story and want to share it as we make history?

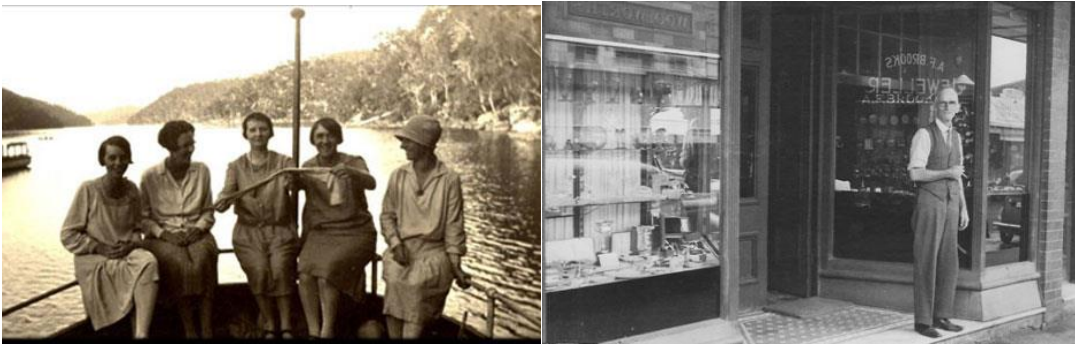

In April 2020, Hornsby Shire Council endorsed the commencement of the Comprehensive Heritage Study program. Preparation of a new background thematic history was identified as the top priority. <https://www.hornsby.nsw.gov.au/council/noticeboard/your-say/current-exhibitions/Hornsby-Thematic-History>

The new thematic study is intended inform Council's subsequent Aboriginal, Landscape and Archaeology studies and the later LEP and Development Control Plan (DCP) review, community engagement, promotion and interpretation studies outlined in the Action Plan 2019.

Hornsby Shire Council welcomes community input into a new 'Hornsby Thematic History' project. <https://future.hornsby.nsw.gov.au/hornsby-thematic-history/>

You are invited to locate special places, share stories, historical pictures or memorabilia via an online platform called Social Pinpoint. This is a great opportunity for you to contribute to the understanding of Hornsby's history and identity.
